

**Vlasta Kokotović**

**Research Associate, Geographical Institute „Jovan Cvijić“ SASA  
Serbia, 11000 Belgrade, Djure Jakšića 9.**

**Phone: +381-11-2636 395, 2636594, +381602244619 (Mobile)**

**Fax: +381-11-2637597**

**Email: [v.kokotovic@gi.sanu.ac.rs](mailto:v.kokotovic@gi.sanu.ac.rs), [vkokotovic@gmail.com](mailto:vkokotovic@gmail.com)**

**Broad area of Specialization**

Geography, Demography

**Research Expertise**

human capital, population change, urban population, internal migration.

**Membership of Professional Bodies**

- The Serbian Geographical Society
- Association of Demographers of Serbia
- EAPS European Association for Population Studies

**Education**

Ph.D. Studies: University of Belgrade – Faculty of Geography, Ph.D. thesis: *Demographic determinants of human capital development in Serbia*, September 2021.

Master Studies: University of Belgrade – Faculty of Geography, master thesis: *Demographic potentials of small towns in Serbia*, July 2012.

Bachelor Studies: University of Belgrade – Faculty of Geography, bachelor thesis: *The impact of refugees on demographic trends in Serbia*, May 2007.

**Employment**

- 2022. – to present. Research Associate, Geographical Institute „Jovan Cvijić“ SASA, Belgrade.
- 2011 – 2022 Research Assistant, Geographical Institute „Jovan Cvijić“ SASA.
- 2007 – 2011. Teaching Associate, Geographical faculty – Belgrade University

**Project participation**

1. 2021-2022. Labor force – potential and utilization. Institute for Philosophy and Social Theory, University of Belgrade and Open Society Foundation Serbia.

2. 2020. Remote Detection of (de)population processes in Serbia - Depopulation Data Challenge Call. UNDP Serbia, UNFRA, GIZ
3. 2020. Serbian repatriates during COVID-19 – Returning Point-Program for Circular Migration and UNDP Serbia.
4. 2010–2018 – researcher at integral and interdisciplinary project “Geography of Serbia” (ID 47007), led by Milan Radovanović, Ph.D., principal research fellow, funded by the Ministry of education, science, and technological development;
5. 2015. „Mainstreaming migration into national development strategies“, International organization for migration (IOM), на изради студије Study on internal and external migration in Serbia with special emphasis on youth.
6. 2013. „Making Migrations Work for Development“ (MMWD), South-East Europe – Regional economic development agency Šumadija i Pomoravlje.
