

MSc Radmila Miletić
Research Assistant
Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts
Đjure Jakšića 9, 11000 Belgrade, Serbia
Phone: +381-11-2636395, +381-641321338
Fax: +381-11-2637597
Email: r.miletic@gi.sanu.ac.rs

Area of Interest

Spatial planning, industrial geography, regional development

Education

- PhD studies: University of Belgrade, Faculty of Geography, PhD thesis in progress.
- MSc studies: University of Belgrade, Faculty of Geography, Thesis: Connections and relations of industry and the surrounding geospace on the example of the municipality of Pancevo, 1999.
- BSc studies: University of Belgrade, Faculty of Geography - Course of Spatial Planning, 1986.

Employment

- since 1988: Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts,
- 1988: University of Belgrade, Faculty of Geography - Course of Spatial Planning (assistant, part time)

Membership in Professional Organizations

- Serbian Geographical Society
- Serbian Spatial Planners Association
- Serbian Chambers of Engineers (licence for responsible planner since 2008)

List of Projects

- 2011-2019. Geography of Serbia (47007 – Ministry of Education, Science and Technological Development of the Republic of Serbia)
- 2012-2013. Development of a Solution for Establishing an Integration Business Infrastructure Cadastre (Ministry of Regional Development and Local Government, Republic Geodetic Authority, Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts, Swedish Institute for Public Administration - SIPU International).
- 2011-2012. Lexicon of the Djerdap National Park and Tara National Park (Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts, Službeni glasnik, Djerdap National Park, Tara National Park).
- 2010-2012. Lexicon of Serbia (Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts, Službeni glasnik)
- 2006–2010. Modalities of Geopotentials Evaluation of Underdeveloped Regions in Serbia (146011 – Ministry of Science and Technological Development of the Republic of Serbia).
- 2008-2009. Comparing the Evaluations of Underdeveloped Areas in Serbia and Slovenia – project bilateral scientific cooperation (Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts, Ministry of Science and Technological Development of the Republic of Serbia, Anton Melik Geographical Institute, Research Centre of the Slovenian Academy of Sciences and Arts)
- 2006. Research into Expanding the Scope of the Carpathian in the Republic of Serbia (Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts, Ministry of the Science and Environment Protection of the Republic of Serbia –Office of Environment Protection)
- 2005-2007. The Strategy of Spatial Development of the Municipality of Ljig and The Spatial Plan of the Municipality of Ljig (Municipality of Ljig)
- 2001-2005. The Danube-Morava Corridor as the Main Axis of the Regional Development and Integration of Serbia into the South-Eastern Europe (1620 - Ministry of Science and Environment Protection of the Republic of Serbia)
- 1996-2000. The Geographic Structure and the Regionalization of Serbia (Ministry of Science and Technological Development of the Republic of Serbia)

Miscellaneous

- Editor of the monographic study *Geographical Institute" Jovan Cvijić "SASA 1947-2017. History and Perspectives*. Special Issues 92. Ž. Bjeljic (Editor in Chief Belgrade: SASA and Geographical Institute "Jovan Cvijić" SASA
- Member of the expert team in making of the spatial plans for the municipalities/cities, regional spatial plans, and spatial plans for special purpose areas (author of the study for spatial distribution and development of economy/industry).
- Members of the expert team in making of "City of Belgrade – Development Strategy".
- Lecturer at the programs of the advanced professional training for geography teachers: "The Corridors of Serbia (2018-2021, 2012-2014), and "Towards contemporary geography teaching" (2008-2009).
